Connecting Technology**

CAPABILITY STATEMENT

Core Competencies

Primetech Inc. has proudly served the Virginia and The District of Columbia since 1996. We are a provider of Facilities Support Services to the Federal Government. We offer solutions for establishments by providing operating staff to perform a combination of support services within a client's facilities. We provide a combination of services, such as janitorial, maintenance, trash disposal, guard and security, mail routing, reception, laundry, and related services to support operations within facilities. We provide operating staff to carry out these support activities; but are not involved with or responsible for the core business or activities of the Federal Government. We also provide facilities (including computer, Video Teleconferencing (VTC), and/or data processing) operation support services. We also are certified to service all brands of printers, copiers and fax machines. This means a decreased upfront cost and developed solutions for our customers.

Differentiators

We are aggressive, results oriented professionals with impressive track records of achievements in Facilities Support Services, project management, training, supervision, and goal attainment PrimeTech Inc. has been repeatedly recognized for superior job performance, confidence in what we do and customer service oriented. We understand the importance of the bottom line. Our staff consists of well trained and educated administrative support, over twenty-one years of Business Services. We also employ staff that carry an extensive background in Facilities Management, IT Services, and Temporary Staffing. PrimeTech Inc. offers a total one stop shop for all your business needs.
